

# Let Her Go

(Jill Bryson / Rose McDowall)

G Cmaj7 Am D G  
You let her go, she does not want to be with you

Cmaj7 Am D G  
She told me so, she does not know what to do

F Am D G  
Yes she knows she must try to keep you from under her skin

F Am D G  
But it's not been that easy because you just won't give in

And I know I would let go, I know, I know

G Cmaj7 Am D G  
I know it's wrong, it can't possibly go on

Cmaj7 Am D  
She can't drop a friend just because you say so

G F Am D  
I love her more than you do yet I can't get near her

G F Am D  
It isn't fair that you should say who can and can't see her

And I know I would let go, I know, I know

G Cmaj7 Am D  
She has a mind of her own and she's going to use it

G Cmaj7 Am D  
She told you to step down so you'll have to do it

G F Am D G  
Maybe you'll try it again but it won't work out, that I know

F Am D G  
You can't push any more, you'll just have to let her go

(I would let go) let her go (And I know I would let go) let her go
