

Trees and Flowers

(Jill Bryson / Rose McDowall)

G Cmaj7 G Cmaj7
Dawn cracks the dark and it breaks the silence

Am D Am D
Of my waking hours and my heartbeat's licence

G Cmaj7 G Cmaj7
For I hate the trees and I hate the flowers

Am D Am D Gmaj7/D Em
And I hate the buildings and the way they tower over me

Gmaj7/D Em
Can't you see?

Am D Am D
I get so frightened, no-one else seems frightened

Gmaj7/D Em
Only me

Gmaj7/D Em
Only me

G Cmaj7 G Cmaj7
I can't but see that the sun has risen

Am D Am D
To my window, my world of my home sweet prison

(Repeat chorus)

(Bababa bit: G and Cmaj7)
